

Welcome to
Redwood Veterinary Hospital

Are you looking for a veterinary hospital to care for your pet? Give us a try. Finding the right veterinary hospital can be a difficult process. We are accredited by the American Animal Hospital Association - a standard that is difficult to achieve. There are 11 hospitals in the Salt Lake Valley that are accredited - we are one of them. We have invested in new technologies like a digital x-ray and other modern medical equipment. Our trained staff is dedicated to caring for your pet and have been with our hospital for many years.
